# INVITATION

Dear Delegates,

It gives us immense pleasure in inviting you to attend KAPSCON 2024, the 16th Annual State Conference of the Kerala Association of Pediatric Surgeons, to be held on 21st and 22nd, September 2024 at the Raviz Kadavu, a five star resort in Calicut.

Calicut Pediatric Surgeons last organised the annual meet at Vythiri, Wayanad in 2016. The opportunity to host the state conference comes to us again after 8 years. Those of you who have attended or been involved in our annual conferences, would know that it's more than just academic deliberations. They provide an excellent platform for scientific and academic exchanges and opportunity to refresh through cultural and recreational activities. It is also an occasion for youngsters and seniors to have some quality time together. The scientific programmes have been planned to hold the interest of beginners as well as experts. The best known luminaries in the state will enlighten us with their dedicated work and vast experience.

We will also make arrangements to give you a glimpse of the Chaliyar riverside, a lovely overnight stay amidst resort ambience, cultural programs, warm hospitality and one of the best cuisines Calicut has to offer. In short, we want you to relax...refine...and rejuvenate!

Your gracious presence and participation is highly solicited for the grand success of KAPSCON 2024. Please register at the earliest. We hope you return with fond memories. Looking forward to welcome you all.

With warm wishes and regards,

The Organising Committee, KAPSCON 2024
